

“América Móvil’s tender offer for Carso Global Telecom and Telmex Internacional”

Mexico City. January 13, 2010. América Móvil, S.A.B. de C.V. (America Movil) [BMV: AMX] [NYSE: AMX] [NASDAQ: AMOV] [LATIBEX: XAMXL] announced today that it will launch an exchange offer to the shareholders of Carso Global Telecom, S.A.B. de C.V. (“Telecom”), pursuant to which, the shares of this entity would be exchanged for shares issued by America Movil. The exchange ratio will be 2.0474 to 1, and thus, the shareholders of Telecom would receive 2.0474 shares of America Movil per each Telecom share.

If Telecom’s shareholders tender all their Telecom shares, America Movil would beneficially own 59.4% of the outstanding shares of Teléfonos de México, S.A.B. de C.V. (“Telmex”), and 60.7% of the outstanding shares of Telmex Internacional, S.A.B. de C.V. (“Telmex Internacional”). Telecom’s net indebtedness at the end of 2009 was approximately 22,017 million pesos.

America Movil also announced that it will launch an offer for the exchange or purchase of all of the Telmex Internacional’s shares that are not already owned by Telecom (39.3%). The exchange ratio will be 0.373 shares of America Movil per each Telmex Internacional share or, if in cash, the purchase price would be 11.66 pesos per share.

In the event that, at completion of the processes described above, a sufficient number of shares are obtained, it is intended to delist both Telecom and Telmex Internacional in the various securities markets in which their shares are registered.

These transactions have been approved today by America Movil’s board of directors.

The tender offers would be subject to several relevant authorizations.

About AMX

America Movil is the leading provider of wireless services in Latin America. As of September 30, 2009, it had 194.3 million wireless subscribers and 3.8 million landlines in the Americas.
